Our Easter service was especially well supported this year. It was decided to make it a family occasion combined with Holy Communion. Integrating the two worked well and we had a congregation of 77 with at least 35 children- they were all so busy they were difficult to count- who helped make an Easter garden and enjoyed an Easter egg hunt afterwards. It was a lovely service and many said how much they had enjoyed it. It was a format worth repeating in the future.

The APCM was held during the service on 2nd April. Pam Pike was elected as co-church warden with me and Jane Rees was elected to the PCC together with Julia Wyld who is our new Synod rep. I am delighted they have taken up these new roles and pray they may find them fulfilling.

There is as much need for the Food Bank as ever and I am most grateful to Dick Caudle who manages the Wellow contributions on our behalf and to all who give to it.

The monthly meditation evenings run by Tom with support from Jill and Katie, and the Monday morning meditations have been well supported and are a success story.

I am grateful to the Friends, and especially Richard Cook, for taking on the management of the North Field which is a lovely addition to the church. It is already being used as a place for quiet and reflection.

Our small prayer group continues to meet weekly on Tuesday afternoons in Pauline's home. Their prayers for the village, for those who are sick or in difficulties, for more Christian families to live here and for the future of our church are invaluable. I feel indebted to them and would encourage anyone who feels like joining them to do so.

It is also encouraging that thanks to the prayers and careful thoughts of many people we are starting to move forward and at last have every prospect of seeing progress on a decision on where to locate a loo and kitchenette.
